Providing recreation for the community since 1949!

Our History...

In 1949, several residents gathered to form the first Wilton Lyndeborough Youth Center (WLYC) committee. They simply wanted to provide healthy, supervised activities for the community's youths during the summer. In the mid 1950s, Jennie M. Goss contributed 14 acres of land to the WLYC for "community recreation use." 1956 brought the first plans for Goss Park. In 1958, construction began on the swimming pond. In 1959, Goss Park opened.

Today...

Our facilities have grown to include: a pavilion, snack bar, basketball court, tennis court, playground, and a baseball/soccer field. Our waterfront offers swimming lanes, diving boards, and docks for jumping and diving. Our swim team competes with other area towns at meets. Our snack bar offers beverages, nutritious foods and cold treats. Our water is tested by the state and our staff throughout the summer.

"Join the fun at Goss Park!"

Buddy System

For the safety of swimmers and lifeguards, Goss Park uses the buddy system. By requiring that all swimmers under the age of sixteen always swim with a buddy, we promote safety and responsibility in children.

Babysitters Membership

Families with summer memberships may add a babysitter to that family membership for only \$15. Babysitter must be at least 15 years of age to supervise children 11 years old or younger.

Daycare Provider

Professional Daycare providers must purchase an individual or family membership. The children in their care must also have their own family or individual membership.

Deep Water Test

A test to determine a swimmer's abilities, ages 7 to 16 years old, has been developed for the safety of the swimmer, lifeguards and other patrons. The test requires the swimmer to swim two laps of the crawl (freestyle) stroke, and then tread water for two minutes without being winded. At the Lifeguard's discretion, the swimmer may pass for all areas, for limited areas with restrictions, or be asked to repeat the test another day.

Swimmers must be at least 7 years of age to take the deep water test. Swimmers must be at least 9 years of age to test for the "piers" area.

Grill Day/Pizza Day/Snack bar

On Wednesday our staff will light the grill around noon time for your pleasure. Pizza will be available at the snack bar on Fridays only. Throughout the week we offer beverages, hotdogs, snacks and ice cream.

Guests

Any member is welcome to bring guests on any day of the week. All non-members pay just \$3 per person per day. All guests are required to follow park rules including the deep water test.

Park Delays/Closing

In the event of inclement weather, our voicemail will announce a delay by 9:30 AM. The voicemail will be updated to an opening or closing for that day by 1 PM. You may want to check our voicemail for events and activities.

Special Events

Throughout the summer, special events such mid-week cookouts, teen nights, pre-teen nights, tie-dye, field games, arts & crafts, company outings and fundraisers are offered. All events will be posted on the monthly calendar and schedule board outside the craft building. Any fees related to those events will also be noted on that calendar. Pavilion rental is available for birthday parties, company outings, etc. **PLEASE**

CHECK WEBSITE FOR SPORTS CAMPS AND DATES.

Swimming Lessons

Goss Park offers Red Cross swimming lessons for all swimming abilities age 3+ years. Lessons are taught by WSI certified staff members. Our program consists of five two-week sessions. Lesson times are primarily from 10am-4pm, exact times are available a week prior to the start of each session. Class size is limited to 10 and fill-up quickly. Lessons are filled on a "first come, first served basis" with priority going to Members. It is recommended to register early to ensure your preferences of sessions and times. First session participants will be notified by phone. No refunds given on lessons or summer memberships. Adult lessons are also available for \$10 per lesson. **Fees: \$30 per person/session for members and \$40 per person/session for non-members. Non-Members may arrive one half-hour before lesson begins and must leave at the end of class, unless paying daily guest fee. No classes July 4.**

Swim Team

We offer a competitive swim team for swimmers ages 5+ years. **All levels welcome!** Swim meets are scheduled against local towns throughout the summer. Our focus is on swimmers having fun while developing swimming/diving skills and establishing a fitness routine. Each participant will set his/her own goals with our coach for the summer. **Swim team participants are highly recommended to take swim lessons to refine the swimmer's stroke.** Swim Team practices daily throughout the summer (M-F) **Fee: \$30 per summer per participant**

Email List

Park members that have an email address on file will be notified each week of upcoming events at the park. **www.gosspark.org**

Our Staff

Each member of our staff is trained in First Aid, CPR, and Lifeguard Training. Swimming Instructors are also certified in Red Cross Water Safety Instruction. You will find our staff pleasant, polite and helpful.
